County Isolation Hospital.

The Public Buildings Committee of the  
Board of Freeholders has approved the  
revised plans for the proposed county  
isolation hospital, which is to be erected  
on John street, Belleville, near the Soho  
Park station. The location for the hos-  
pital will be about 1,000 feet from the  
roadway, on a plot of forty-two acres.  
The buildings are to be constructed of  
brick, and all the floors will be of con-  
crete.

The institution as designed will be  
about half the size at first proposed.  
The original plans were rejected by the  
board because it was estimated they  
would cost \$340,000 to carry out, while  
the amount available was only \$175,000,  
and the proposition to get an additional  
appropriation fell through. The cost of  
the hospital, according to the latest  
plans, will come within \$175,000. In-  
cluded is an administration building,  
forty by seventy feet in dimensions, and  
three stories high. The basement will  
contain a kitchen and laundry, while the  
first floor will be used for administra-  
tion purposes. The second and third  
floors will be utilized as bedrooms for  
nurses and servants.

There will be three wards, each about  
112 by thirty-six feet in size and two  
stories high, one floor being for male  
patients and the other for female pa-  
tients. The wards will be separated  
from the administration building by  
about seventy feet, and corridors will  
connect them with the main structure.  
The wards will be used respectively for  
smallpox, scarlet fever and diphtheria  
cases. Normally each ward will have  
provision for twenty-two patients, but  
the capacity can be increased to forty-  
four if necessary without undue crowd-  
ing. Each ward will contain a discon-  
nected room, where patients, whose  
cases have not been thoroughly diag-  
nosed, will be kept.

Challenge from W. W. Keyler.

Offer to Refund Money if Dr. How-  
ard's Specific Will Not Cure Any  
Case of Constipation or Dyspepsia.

W. W. Keyler is seeking the worst  
case of dyspepsia or constipation in  
Bloomfield or vicinity to test Dr. How-  
ard's New Specific for the cure of those  
diseases.

So confident is he that this remark-  
able medicine will effect a cure, quickly  
and lasting, that he offers to refund the  
money should it not be successful.

In order to secure the quickest possi-  
ble introduction W. W. Keyler will sell  
a regular fifty cent package of this  
medicine at half price, 25 cents.

This specific of Dr. Howard's will  
cure sick headache, dizzy feelings, con-  
stipation, dyspepsia, and all forms of  
malaria and liver trouble. It does not  
simply give relief for a time; it makes  
permanent and complete cures.

It will regulate the bowels, tone up  
the whole intestinal tract, give you an  
appetite, make food taste good and  
digest well, and increase vigor. Joy  
and happiness will take the place of  
that "don't care whether I live or die"  
feeling.

Take advantage of W. W. Keyler's  
challenge and secure a bottle of Dr.  
Howard's Specific at half price with his  
personal guarantee to refund your  
money if it does not help you.

There is no need of suffering with  
constipation, dyspepsia or liver disease  
when you can get sixty doses of a  
scientific medicine for their cure like  
Dr. Howard's Specific for the small sum  
of 25 cents.—Adv.
